Help for Heroes gratefully acknowledges your generous donation of £1000.00

We are so very grateful and humbled by your kindness and generosity; we know how hard it is to raise money and therefore we try and ensure **every** penny goes to our wounded Heroes.

Help for Heroes was launched in October 2007. Like you, we believe that the people of this country wanted an outlet to show their support for 'our' blokes, the men and women of our Armed Forces, regardless of politics or feelings about war. People felt helpless but H4H has given them a way to do something positive and to show their support and you have done just that!

We do not provide individual benevolence; instead we provide capped grants to organisations and charities best equipped to support 'our' blokes. This can mean, for example, that we fund the building of facilities such as the £8 Million H4H Rehab Complex at Headley Court; £3.5 Million to Combat Stress to deal with the mental effects of war and things like fund welfare packs for the hospitals as well as supporting the wonderful work done by the Battle Back Programme.

Our latest fund raising appeal of £20 Million is for the Recovery Centres which, although the project is being led by the Army, will be available to members of all Services on a case by case basis.

If you would like further information or would like to sign up for our newsletter, please visit our website [at www.helpforheroes.org.uk](http://www.helpforheroes.org.uk).

Once again thank you so much for your donation, it is hugely appreciated and very much needed.

Thumbs up! Yours sincerely
